ABOUT MY CAREER

I am a passionate Architect with 3 years extensive experience in design software such as AutoCad, 3D modeling and rendering software with advanced design skills and a keen eye for detail. I've been also work as Site Architect for 1 year.

WORK EXPERIENCE

ON-THE-JOB TRAINING

2017 **Ronald Allan P. Gunda + Architects**
Mahabang Parang, Batangas City

Proposed a design schematic, which was later adopted and developed by the lead Architect.

DESIGN ASSOCIATE (Apprenticeship)

02/2019 - 02/2022 **AVANT Diversified Development Corporation**
31A Manghiniao Proper, Bauan, Batangas

After having worked in RAPG + Architects on 2017, I had the great honor of being able to manage a discrete area of work, planning using Computer-aided design software, estimates, designing, 3D modeling, Architectural rendering and photoshop editing for visualization of the proposed projects.

SITE ARCHITECT

02/2022 - Present **AVANT Diversified Development Corporation**
31A Manghiniao Proper, Bauan, Batangas

After passing the Architecture Licensure Exam (ALE) on January 2022, I had the opportunity to perform general architectural work including architectural design, site visits, inspections and prepares related report.

Review CAD drawings, study models, construction documents and material specifications prepared by Architectural Designers. Make new proposals and/or modify existing drawings when necessary. Ensure compliance with applicable codes and standards as well as client requirements.

Prepares detailed requisitions for equipment and materials when needed. Interfaces with suppliers as required.

Coordinates work with engineering and construction units at project site.
