1 Sargodha Road Faisalabad

## About Me

Detail oriented AutoCAD Draftsman with expertise in Architectural plans & Site Supervision. Desiring to create computer-aided (CAD) designs and elevations that meet and enhance company projects

## Experience

### Design Center 2016-2023

Architectural Draftsman & 3D Visualizer

Reviewed specifications to generate complex details of individual system components. Consulted with architects, customers and vendors regarding project scope and milestone dates. Developed CAD drawings from hand sketches, verbal instructions and site visits. Calculated mathematical formulae to develop and design detailed specifications for components and machinery with computer assistance

### Design Center 2020 - 2023

Site Supervisor

- Inspecting construction sites regularly to identify and eliminate potential safety hazards.
- Supervising and instructing the construction team as well as subcontractors.
- Educating site workers on construction safety regulations and accident protocol.

## Education

**2015**

Govt Crescent High  
School  
**Matric**

matric is the term that refers to the final examinations that take place at the end of 9th and 10th grades

**2020**

Jpi Group of Collages  
**DAE (Civil)**

Civil Technology deals with planning, designing, execution, operation, and maintenance of civil engineering projects (buildings, dams, railways, airports, roads, etc.).
