

# LANZ WILLIAM QUIJANO

CIVIL ENGINEER, SAFETY OFFICER

PRC License # 0191057

**Home:** Citadel 8, Najma Area, Doha, Qatar

**Phone:** +974 7171 5592

**Email:** [lanz.william.quijano@gmail.com](mailto:lanz.william.quijano@gmail.com)

**Birth Date:** October 27, 1998

**Nationality:** Filipino

**Visa Status:** Working Visa (Transferable)

## About Me

Licensed Civil Engineer with a background in project management, design, and construction. Delivering complex infrastructure projects on time and within budget. Adept at collaborating with clients and ensuring compliance with industry standards and regulations. Proficient in utilizing advanced design software and dedicated to sustainable and innovative engineering practices.

## SKILLS

- Project Management
- Technical Proficiency
- Problem Solving
- Team Collaboration
- Regulations and Codes
- Site Evaluation and Assessment
- Structural Design and Analysis
- Construction Management
- Time Management
- Health and Safety Awareness
- Quality Control and Assurance
- Mathematical Skills
- Environmental Sustainability
- Commitment to Continual Learning

## EXPERIENCE

### Freelance Civil Engineer

Philippines | January - June 2023

- Designed, analyzed, and executed civil engineering projects in adherence to industry standards and regulations.
- Collaborated with cross-functional teams to develop project plans and conceptual designs.
- Utilized engineering software and tools to create detailed design drawings, technical specifications, and construction plans.
- Conducted site inspections and assessments to evaluate existing conditions, identify potential challenges, and propose solutions.
- Managed construction projects from inception to completion, overseeing scheduling, budgeting, resource allocation, and quality control.
- Prepared and submitted necessary documentation for approvals, permits, and environmental compliance.
- Coordinated with contractors and vendors to ensure accurate implementation of project specifications.
- Monitored construction progress, tracked budget expenses, and managed change orders.
- Conducted inspections and tests to ensure work met design standards and contractual requirements.
- Communicated project updates and status to clients, and team members.
- Managed risk assessment and mitigation strategies, anticipating and resolving project-related challenges.
- Maintained knowledge of industry trends, codes, and regulations.

## TECHNICAL PROFICIENCY

- Autodesk AutoCAD
- Autodesk Revit
- CSI ETABS
- SketchUp
- Microsoft Suite

## LANGUAGE

- English : Proficient
- Tagalog : Native Speaker

## **Zoning Officer I**

Local Government Unit of Pasacao  
Philippines | December 2022 - June 2023

- Interpreted and applied local zoning codes and regulations to assess land use proposals and ensure compliance.
- Provided clear and accurate information regarding zoning requirements.
- Reviewed zoning permit applications for accuracy, completeness, and adherence to zoning ordinances.
- Made informed decisions on permit approvals, denials, and conditional approvals based on zoning regulations and project details.
- Conducted on-site inspections to verify compliance with approved permits and zoning regulations.
- Identified and addressed any violations.
- Attended public meetings and hearings to discuss proposed land use changes and zoning variances.
- Maintained comprehensive records of zoning applications, permits, and inspections.
- Collaborated with other departments to ensure coordinated land use and zoning practices.

## EDUCATION

### **Bachelor of Science in Civil Engineering**

Ateneo de Naga University, Philippines | 2015-2020  
Dean's List Honoree: 2nd Semester, Year 2015-2016

## CERTIFICATIONS

### **40-hour Construction Occupational Safety and Health (COSH) with 2-hour Training of Trainer**

May 2021

### **TESDA Driving NCII**

February 18 to March 13, 2021

### **2019 Regional Civil Engineering Students' Summit**

September 2019

### **1ST Camsur Techno Fair and 2nd Camsur Construct**

August 2019

### **TESDA Computer Systems Servicing Training**

April 29 to July 21, 2019
