**RE: RECOMMENDATION LETTER FOR RONO ABEL CHERUYOT**

The above named person was attached to this station for her industrial attachment for a period of three months, (from 4<sup>th</sup> August to 21<sup>st</sup> November).

During the period, She managed to learn & perform many practical agricultural aspects in our station ranging from seed crop bulking packages to office practices as follows:

- Mixing of livestock feeds & silage making.
- Establishment of new Bee Hives (Lungstroth) & harvesting of honey.
- Horticultural crops establishment & management of new vegetable & green house.
- Livestock management & routine practices.
- Office practices (Collecting & entering data into computer)
- Carrying out demonstrations in the machinery & agro processing sections during students/farmers visits to the station.
- Worked in training and accommodation department.
- Balancing water supply to the station.
- Horae economics and catering services.

She diligently and industriously displayed excellent good rapport besides undertaking assigned duties reliably.

The student is intelligent and has potential for advancement.
