- ❖ Knowledge in vehicle repair
- ❖ Accurate in identifying vehicle abnormal sounds and other defects

### **CAREER HISTORY**

#### **2009 to 20 April 2023 Mowasalat Transport Company, Doha Qatar**

Company Driver.

Carried out routine checks on the vehicles cooling, oil, tire pressure, electrical and brake system

Maintained work tickets for assigned vehicles and ensured security and safety for the vehicle on and off road.

With mechanic skills I gave advice to drivers on how to inspect the vehicles and report in case of abnormal sounds.

Maintained cleanliness of the vehicles.

Maintained awareness of the updated road systems and conditions by monitoring news and traffic reports.

Maintained strict confidentiality on all conversations and information during transport assignments

**2006 to 2008**

**NGO, Community Mobilization Against Desertification**

Checked vehicle condition, tire pressure, fluid levels, lights including wheel spanner, jack fuel level and spare tire prior to the start of the trip.

Provided transportation for project staff to and from field, and offered all required support including field extension services.

Took records of vehicle journeys and service and maintenance

Detected and reported malfunction of vehicle system and helped in vehicle minor repair in cases where we had breakdown in the field

Maintained cleanliness of the project vehicles

Ensured security of the project staff and luggage/goods in the vehicle

As a mechanic I offered consultancy and advice on how to service project vehicles

Maintained positive working relationships with others

**2002 to 2006**

**World Agroforestry Centre (Icraf) Kenya**

Project vehicle driver/field Extension assistant,

Transported project staff to the field including my supervisor to attend workshops and stake holder's meetings and trainings in Uganda and Tanzania.

Performed miscellaneous office support functions such as messenger services, typing reports, photocopying, arranging files and other office activities

Picked and dropped project staff and visitors to and from airport

Routinely checked all vehicles licenses and insurances and alerted the supervisor on renewals.

Kept records as required and maintained clear daily records of work done and vehicles service maintenance and movement.

Offered consultancy on how to repair and service the project vehicles
