● ABOUT ME

I am a passionate and skilled recent graduate of architecture and design with practical experience of 6+ months. I have sufficient expertise in various designing softwares such as AutoCAD, SketchUP, Lumion, etc. I believe I am a hard working and honest individual who is always willing to learn new skills and expand his theoretical and practical knowledge. I am able to work effectively in both independent and team-oriented work environments. I have a good command on written and verbal communication and am able to listen effectively to solve complex problems. I am looking for a job in a reputable and respected architectural firm in which I can have an opportunity to showcase and improve my knowledge and skills.
