EXPERIENCE

SITE ENGINEER, 01/2022 - Current

lamar & mayar construction contracting

- I worked as a site engineer and at the same time the owner's representative in a villa in the Dabouq area with an area of 1000 square meters
- Among my tasks is to supervise the receipt of brickwork, iron, insulation, and special materials used in construction works, such as anti-corrosion materials, welding materials, and iron treatments.
- Conducted site surveys and analyses to identify construction requirements.

DRAFTSMAN, 08/2019 - 11/2021

alahmad office, Amman

- Created detailed drawings from skhes, notes and verbal instructions using CAD software.
- Developed multiple drafts of blueprints for engineering projects such as highways, bridges, dams and buildings.
- Performed field measurements to verify existing dimensions in order to accurately create plans.

GRAPHIC DESIGNER, 01/2016 - 07/2019

Khadra Express Est., Amman

- Developed graphics, logos and layouts for product illustrations, company logos, and websites.
- Created visual concepts using computer software to communicate ideas that inspire, inform, or captivate consumers.

PHOTOGRAPHER, 01/2014 - 01/2016

Khadra Express Est.

- Set up lighting equipment and adjust camera settings to capture desired images.
- Organize and store digital photographs, negatives, and prints in an orderly fashion.
