PERSONAL INFORMATION

Date of Birth: January 26, 1990

Age: 34

Nationality: Filipino

Civil Status: Single

Personal Summary:

I am a highly ambitious, who has a wealth of experience working for a construction company in Philippines and internationally in Doha, Qatar. I am a self-motivated, organized and dedicated professional who is keen to continue to develop my skills. With regards to teamwork, I believe that I am a highly motivated individual who is able to establish and maintain effective working relationships with work colleagues and business clients. In addition, I can work effectively on my own and use my own initiative when required. I fully understand that this profession is demanding. However, after working on projects such as SIDRA Hospital, Workers Hospital & Integrated Health Center, CP08-A-2 Lusail City, Al-Wakrah Stadium, and many others, I believe that I have the skills needed to succeed and become an asset to your company with your future projects here in Qatar.
