

# Sudath Kumara

## PROFILE

Hello, my name is Weerasekara Arachchilage Sudath Kumara Weerasekara, and I bring a wealth of experience in driving and operating heavy vehicles and machinery. With a career rooted in safety, efficiency, and reliability, I've been entrusted with crucial roles in both Sri Lanka and Qatar. Presently, I serve as a heavy vehicle driver at Qatar Star Service L.L.C., where I excel in navigating diverse terrains and ensuring timely deliveries. Previously, I spent a year as a JCB operator in Qatar, mastering the operation of heavy machinery. Before that, I honed my skills further as a heavy vehicle driver at Bin Omran Trading & Contracting Company. Beyond my professional roles, I've been an active member of my school's athletic team, demonstrating my commitment to discipline and teamwork. Holding both light and heavy vehicle driving licenses in Sri Lanka and Qatar, respectively, I'm proficient in Sinhala, English, and Hindi, facilitating effective communication in diverse environments. I am eager to leverage my expertise to contribute positively to your organization's objectives.

## EXPERIENCE

### HEAVY VEHICLE DRIVER

Qatar Star Service L.L.C, Qatar  
Present

- Execute safe and efficient transportation operations by adhering to established traffic laws, company regulations, and industry standards.
- Perform thorough pre-trip inspections of assigned vehicles, meticulously checking mechanical components, fluid levels, and safety equipment to ensure optimal functionality and compliance with safety standards.
- Demonstrate expertise in loading and unloading procedures, meticulously organizing cargo to prevent shifting or damage during transit and employing appropriate securing techniques for various types of goods and materials.
- Strategically plan and execute delivery routes to maximize efficiency, minimize fuel consumption, and meet designated delivery timelines while considering factors such as traffic conditions, road closures, and customer requirements.
- Communicate effectively with dispatchers, supervisors, and team members to coordinate delivery schedules, provide timely updates on route progress, and promptly address any deviations or unexpected challenges encountered during transit.
- Maintain accurate and detailed records of transportation activities, including mileage logs, fuel consumption data, delivery receipts, and vehicle maintenance records, ensuring compliance with company policies and regulatory requirements.
- Proactively monitor vehicle performance and condition throughout each trip, promptly identifying and reporting any mechanical issues, safety concerns, or maintenance needs to appropriate personnel for prompt resolution.
- Demonstrate exceptional customer service skills when interacting with clients, displaying professionalism, courtesy, and responsiveness to inquiries, requests, and concerns to ensure a positive delivery experience.
- Exercise heightened situational awareness and defensive driving techniques to anticipate and mitigate potential hazards on the road, including adverse weather conditions, road hazards, and aggressive drivers, prioritizing the safety of passengers, pedestrians, and other road users.
- Respond promptly and effectively to emergency situations or accidents, implementing appropriate protocols to ensure the safety of all individuals involved and minimize disruptions to transportation operations.

### HEAVY VEHICLE DRIVER

QatarBin Omran Trading & Contracting Company, Qatar  
6 year

- Safely operate heavy vehicles, including trucks, Buses and trailers, to transport materials, equipment, and personnel to and from project sites, ensuring compliance with traffic laws and company regulations.
- Conduct pre-trip inspections of vehicles to assess mechanical condition, checking brakes, tires, fluids, and other essential components to ensure safe operation, and report any defects or malfunctions promptly.
- Plan and optimize routes to maximize efficiency, minimize fuel consumption, and meet delivery schedules, considering factors such as traffic conditions, road closures, and weather hazards.
- Load and unload cargo securely, using appropriate equipment and techniques to prevent damage to goods and ensure compliance with weight distribution regulations and safety standards.
- Maintain accurate records of vehicle mileage, fuel consumption, and trip logs, documenting hours of service and adherence to driving regulations, and submit reports to management as required.
