Dear Sir/ Madam,

I am writing to express strong interest in an electrician position with your company. As an experienced maintenance electrician technician with over 18 years of expertise troubleshooting and repairing industrial machinery and equipment, I have the skills to excel in this role.

As highlighted in my attached CV, I have extensive knowledge working with 3 phase and single phase power systems, drives control, process control instrumentation, overhead cranes, AC motor controls and more. My communication abilities, analytical thinking and preventative maintenance capabilities allow me to operate effectively independently or alongside other technicians and engineers.

I have a valid work visa and NOC certificate permitting me to join your electrical maintenance team immediately. I am eager to schedule an interview to showcase my background. Please contact me by phone at +974 3004 3874 or email Sinnandaneswaran@gmail.com to arrange a convenient time. Thank you for your consideration, and I look forward to hearing from you.

Sincerely,

Sinnan Daneswaran
