Objective

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

Experience

- **Glassfit** Jan/2015 - Dec/2015
Driver
I did local and long distance deliveries. Transporting glass .
- **LRJ Steel** Jan/09/2000 - -----
Assembler/cnc operator
After school I started at LRJ Steel and worked there for 12+ years. I resigned and relocated. Then did a driving job. Till I came back home and started back at LRJ steel till this day . So currently I'm still there. Working as a cnc operator.

Education

- **Glendale senior secondary** 1999
None
11

Skills

- In the engineering field I've been a semi skilled boiler maker for many years. There is so much that I can do and so much more I want to learn . When I signed up as a driver for deliveries it only took the previous driver 1 day to shoe me all his routes and I got it easy. So I carry myself as open minded strong capable and willing
