

M ATIF KHAN

Electronic Engineer

+974 77210768

husanyar555@gmail.com

Al Doha Al Jadeeda

PROFILE

Experienced electronics engineer with a strong background in circuit design and troubleshooting. Adept at leveraging technology for innovative solutions and collaborating within cross-functional teams to meet project goals. Committed to staying current with industry advancements.

EDUCATION

Bachelor of Electronic
Islamia University, Peshawar
2016 – 2020

DIT
Blue Bird Institute, Doaba
2020 – 2021

PERSONAL DETAILS

Name	M Atif Khan
D O B	18 -08- 1998
Sex	Male
Nation	Pakistan
Religion	Islam
M Status	Single
Driving Lic	20-03-2023
Qatar ID	29858606061

SKILLS

- Innovative
- Detail-oriented
- Adaptive
- Analytical
- Dedicated
- Resourceful

WORK EXPERIENCE

1
Year

Digital Electronics

Designed, implemented, and tested digital logic circuits and FPGA-based systems for project specifications and quality standards.

6
Month

Analog Electronics

Developed and optimized analog electronic circuits to ensure precision and efficiency in various applications.

6
Month

Power Control

Implemented effective power control strategies to enhance efficiency and reliability in diverse electrical systems.

6
Month

Instrumentation

Managed instrumentation systems, ensuring precise data acquisition and measurement accuracy to support critical engineering projects.
