 +974 50024072  [p.dhasan@outlook.com](mailto:p.dhasan@outlook.com) LinkedIn: [Prabhakaran Thulasidhasan](#)

## SKILLS

- Design of Machine Elements
- Automotive Diesel Engines
- Material Science & Technology
- Modern Vehicle Technology
- Car / Automobile Customization
- Operation systems: Windows

## EDUCATION

Diploma in Mechanical Engineering

## OBJECTIVE

To obtain an Automotive/Fleet Coordinator or Officer position in a progressive company and demonstrate my expertise in Material Science Technology and Modern Vehicle Technology. My expertise in Automotive Diesel Engines will be very helpful in meeting the company's needs.

## INDUSTRY EXPERIENCE

### **Guest Service Agent at Baladna Park (Aura Group) from 2022 – Present**

- Maintenance: Regularly inspecting and maintaining the Go Karts, track, and associated equipment to ensure they are in good working condition. This includes checking the brakes, steering, tires, and other components to prevent accidents.
- Providing excellent customer service to park visitors by addressing their questions and concerns, ensuring a smooth and enjoyable experience, and handling any customer complaints or issues that may arise.
- Managing ticket sales, admissions, and waivers, if required. Ensuring that visitors have signed necessary liability waivers and that they meet any age or height restrictions.
- early communicating and enforcing the rules and regulations of the Go Kart section. This includes specifying age, height, and weight restrictions, as well as guidelines for safe driving.
- Being prepared for emergencies and accidents by having a well-defined emergency response plan in place. This includes having first aid supplies on hand, training staff in first aid, and knowing how to contact emergency services when needed.

- Ensuring that the operation of the Go Kart section is environmentally responsible. This may include managing fuel and waste disposal, minimizing noise pollution, and using eco-friendly practices when possible.
- Conducting routine inspections and maintenance of the Go Kart equipment and track to ensure safety and optimal performance.
- Maintaining records of accidents, incidents, maintenance, and safety checks. This documentation can be essential for liability and safety purposes.

## **PROPRIETOR: MOTO-MAD (Auto Mobile) 2015 – 2022**

- Making improvements to vehicles in response to customer feedback
- Assessing project requirements & organizing and carrying out tests
- Interpreting and analyzing results and data
