

## OBJECTIVE

I seek challenging opportunities where I can fully use my skills for the success of the organization.

## EXPERIENCE

### Infraroad -UCC

Light and Heavy vehicle Driver(bus and trailer).

I worked 1.5 year in "Hamad International Airport Expansion project ". I can drive all kinds of vehicles, like mini bus to 60 seater heavy bus, from mini truck to trailer. I also have "Airport Driving Licence" to drive heavy duty vehicles in "Airside". I know all routes of qatar and clean driving record. I worked 24/7 as driver in day night shift and I can handle work pressure well and timings also. my work is there to pick-up and drop workers from different-different locations on time and provide food and equipment and tools. I worked in road maintenance department of ucc .

### Applied interiors and advertising.
