OBJECTIVE

I am looking for an opportunity to take up a challenging position that values honesty, loyalty, knowledge, good relationship and excellent performance; to obtain a position as an active employee in a growing reputable company where I can contribute my experience, proactive attitude and positive atmosphere to help improve the company and myself. My ultimate career goal is to use my skills for doing my best in the company which chose me as its employee. To obtain a career in a reputed organization, which appreciates professional approach and hard work, where I can utilize my knowledge and experience in contribution towards fulfilling the company's growth objectives. I always love the work I do being keen to learn something new all the time possible. I am a fast learner with a good command of English and I am here to give excellent performance, and to translate my experience, knowledge, skills, abilities and hard work into value for the organization.

PERSONAL PROFILE

Can work on own initiative or as a part of a team with a smart and outgoing personality. I have the capability of getting along with people at all levels. I am extremely hard working, performing the best of my level and flexible in approach.

Very ambitious and energetic, and have successfully handled work environments very easy going as well as situations under pressure. With great communication skills I am very organized in professional approach.
