WORK EXPERIENCE

Qatar Fuel (WOQOD) at Ras Laffan Depot / Road Tanker Loading Filler

Dec 2021 - Dec 2023

As a depot filler, I filled road tankers with petroleum products for delivery to various destinations, ensuring secure sealing post-loading, and upholding quantity and quality standards. I diligently reported any arising issues and sampled petroleum products for safety and compliance. I also ensured smooth loading operations, adherence to standard operating procedures, and strict adherence to safety protocols.

Kongowea Hall / Wireman

Jan 2020 - Dec 2020

As a wireman at Kongowea Hall, I encompassed a diverse range of electrical responsibilities. These included installing and repairing electrical wiring, systems, and fixtures throughout the building. Additionally, I installed conduits and pipes to house electrical wires and cables, ensuring compliance with electrical standards. Moreover, I installed circuit breakers and other electrical hardware, connecting wires to them to ensure optimal functionality and safety within the premises.

SKILLS

- Customer Care
- Technical Proficiency
- Excellent Communication Skills
- Leadership Skills
- Incident Reporting
- Problem Solving
- Emergency Coordination

PROFILE

Diligent professional with a strong background in operational management, encompassing inventory control, communication, and team leadership. Proficient in problem solving, dispatching, and handling emergency situations. Experienced in mentoring team members and ensuring customer satisfaction. Possesses excellent communication skills, meticulous attention to detail, and a collaborative work approach.
