Work Experience

MBM Transport Company / Driver

November 2021 - PRESENT, Doha Qatar

- Consistently prioritizing passenger safety by cultivating a culture of vigilance and adherence to safety protocols, ensuring every journey is conducted with the utmost care and caution.
- Elevating the passenger experience through warm and attentive customer service, creating a welcoming atmosphere onboard that fosters comfort, trust, and satisfaction among passengers.
- Demonstrating a keen sense of spatial awareness and local knowledge to navigate routes efficiently, minimizing travel time and maximizing passenger convenience without compromising safety.
- Upholding the highest standards of comfort for passengers, maintaining a clean and pleasant environment within the vehicle that enhances the overall journey experience.
- Fostering clear and open lines of communication with passengers and colleagues alike, fostering a sense of connection and assurance that promotes mutual respect and understanding.

Toyota Qatar Abdllah Abdulghani & Bros Co. /Transportation Driver

February 2014 - March 2020, Doha, Qatar

- Fostered a reputation for exceptional customer service, consistently receiving positive feedback from clients for professionalism and reliability in transportation services.
- Demonstrated a commitment to safety by adhering to all traffic regulations and implementing defensive driving techniques, contributing to accident-free journeys.
- Established strong working relationships with colleagues and management, fostering a supportive and cohesive work environment within the transportation department.
- Exhibited flexibility and adaptability in responding to changing schedules and unexpected challenges, ensuring timely delivery of goods and materials.
- Acted as a brand ambassador for Toyota Qatar Abdllah Abdulghani & Bros Co., embodying the company's values and commitment to excellence in every interaction.

Home Driver (School Bus Driver)

June 2011 - June 2013, Saudi Arabia

- Championed a culture of safety and responsibility by ensuring zero incidents or accidents throughout the tenure, prioritizing the well-being of young passengers at all times.
- Earned the trust and confidence of parents and guardians by consistently delivering reliable and punctual transportation services, fostering peace of mind and assurance in the safe conveyance of their children to and from school.
- Provided compassionate care and support to young passengers, creating a nurturing and reassuring environment that helped ease anxieties and build rapport among students.
- Demonstrated exceptional leadership and composure in managing emergencies, swiftly and effectively handling crises to ensure the safety and well-being of passengers without incident.
- Served as a positive role model for young passengers, instilling values of respect, responsibility, and kindness through exemplary conduct and interactions on and off the school bus.

Self-Employment (Taxi Driver)

Nov 2009 – May 2011, Kenya

- Provided exceptional customer service to passengers, ensuring a pleasant and comfortable experience throughout their journey.
- Handled cash payments from passengers accurately and securely, maintaining detailed records of fares collected and distances travelled for accounting purposes.
- Handled any passenger disputes or conflicts calmly and professionally, de-escalating situations and finding mutually agreeable solutions to ensure a harmonious journey experience.
- Conducted business with honesty, integrity, and professionalism, building trust and rapport with passengers through transparent and ethical practices.

NK VET supplies / Cattle lick salt block machine operator

February 2004 - September 2009, Kenya

- Implemented innovative maintenance procedures that significantly reduced downtime, ensuring continuous operation of the cattle lick salt machine.
- Spearheaded safety awareness campaigns resulting in zero workplace accidents over the past year.
- Fostered a culture of teamwork and collaboration among machine operators, enhancing overall efficiency and productivity.
- Received commendations from management for exceptional attention to detail in monitoring salt distribution, leading to improved herd health.
- Demonstrated adaptability by quickly learning and mastering new software for automated salt mixing processes.
- Acted as a mentor to new hires, providing training and support to ensure smooth integration into the team.
- Contributed valuable insights during team meetings, leading to process improvements and cost-saving initiatives.
- Earned recognition for maintaining cleanliness and organization in the machine operation area, setting a standard for others to follow.
- Proactively identified and resolved equipment malfunctions before they escalated, minimizing disruptions to production schedules.
