## Personal Information

Date of Birth : 20-08-1994

Nationality : Indian

Visa Status : Valid Residency Permit  
(State Of Qatar)

## CAD & Design Tools

1 - 2d Drafting

 AutoCad

2 - 3D Modeling

 3ds Max

3 - Rendering

 Vray

4 - Building Information  
Modeling (BIM)

 Revit  
(Architectural & Structural)

5 - Animation & Visualization

 Lumion

## SUMMARY

Versatile Architectural and Fit-out Draftsman with a proven ability to transform design concepts into precise technical drawings. Proficient in utilizing industry-standard software to create detailed plans, elevations, and 3D models. Collaborative team player with a keen eye for detail, contributing to the seamless realization of innovative fit-out and architectural projects. Adept at navigating the intersection of creativity and technical precision, ensuring the translation of visions into meticulously crafted spaces.

## PROFESSIONAL EXPERIENCE (7+ YEARS)

**HAS (HOLISTIC APPLICATIONS SOLUTIONS) QATAR** | Sep 2022 To Present  
Draftsman / Technical coordinator.

### Project Highlights.

- **Katara Hills Project**  
Design, Supply and Installation of Modular buildings using Cross Laminated Timber (CLT) & Glue laminated Timber in Katara Hills
- **Doha Festival City - Festival Park Project**  
Design, Supply and Installation of Entrance Arch & Elevators using Glue laminated Timber & CLT Structures.

**Al Jaber Green Structures WLL - QATAR** | Jan 2020 To Sep 2022  
Draftsman / Technical coordinator.

### Project Highlights.

- **Desert Retreat Project in Ras-Abrouq - Qatar**  
**Clients - Qatar Airways**  
Design, Supply and Installation of Modular buildings using Cross Laminated Timber (CLT) & Glue laminated Timber in Ras-Abrouq - Qatar
- **Desert Retreat Project in Fuwairit Beach - Qatar**  
**Clients - Qatar Airways**  
Design, Supply and Installation of Modular buildings using Cross Laminated Timber (CLT) & Glue laminated Timber in Ras-Abrouq - Qatar
- **Design and Construction of Training Village (ISF)**  
**Clients - Internal Security Force (ISF - Lekhwiya)**  
Design, Fabrication, Supply and Installation of Wooden cladding for Warrior Tower in Training Village - ISF
- **Old Doha port Project.**  
**Clients - Supreme Committee for Delivery & Legacy**  
Package 1 - Design, Supply and Installation of Wooden Promenade Decking using Brazilian Hardwood (Massaranduba)  
Package 2 - Design, Supply and Installation of Wooden Cabanas, Cladding, Handrails using Natural Brazilian Hardwood

**Unicap Developers & Interiors Pvt, Ltd, Calicut - India** | Mar 2018 To Nov 2019

Worked as Project Executive, Successfully managed site coordination, ensuring efficient communication and streamlined execution.

**8 Corners Interior Solutions, Bangalore - India** | Jan 2017 To Feb 2018

Worked as Designer, Proficiently created precise 2D detailed shop drawings in alignment with project requirements and Demonstrated expertise in 3D modeling and rendering for comprehensive project visualization.

**V R Associates & Architects, Bangalore - India** | Jun 2016 To Dec 2016

Worked as Draftsman, I specialized in translating design concepts into detailed and accurate drawings for interior fit-out projects.

## Multilingual Proficiency

English	: Fluent
Malayalam	: Native Speaker
Arabic	: Reading & Writing Proficient
Hindi	: Conversational
Urdu	: Conversational
Tamil	: Conversational

## Digital Competence

- Microsoft Office Suite
- Outlook and Email management
- File and data Organization
- Basic Troubleshooting
- Online Collaboration

## Key Competence

- Fine Detailing in Drawings
- Service - Focused Approach
- Client-Centric Collaboration
- Attention to Detail
- Exhibition Inspiration

## Skill Building in Progress

Sketchup

MS Project

Autodesk Naviswork (Manage)

Blue Beam Revu

## Leisure Pursuits

## OCCUPATIONAL RESPONSIBILITIES

- Participate in research and presentation of new design proposals to clients or managers.
- Construct Computer-Aided Design (CAD)
- Develop concept drawings for design exploration.
- Create IFC drawings and detailed shop drawings for construction coordination.
- Incorporate feedback through redline markup drawings, ensuring accuracy.
- Produce precise as-built drawings reflecting the actual state of completed projects
- Manage the timely submission of drawings to consultants, adhering to project timelines.
- Participate in collaborative drawing reviews, incorporating feedback for continuous improvement.
- Perform detailed quantity take-offs (QTO) based on the information provided in shop drawings.
- Ensure accuracy in material estimation to support project budgeting and procurement processes.
- Ensure compliance with documentation standards, maintaining consistency and quality.
- Create mood boards and samples for effective communication of design concepts.
- Creating 3D models from architectural plans, rough sketches, using Modeling & CG software
- Execute detailed 3D modeling to accurately represent architectural and structural elements.
- Apply realistic materials and texture mapping to CG models to achieve lifelike visualizations.
- Generate realistic renderings to enhance visualizations for project communication.
- Creating 3D walk-throughs , flythrough & 360 Panorama in artistic fields.
- Develop dynamic animations to illustrate design concepts and enhance project presentations.
- Utilize Revit for architectural modeling, ensuring precision and design specification adherence.
- Create and develop 3D Building Information Models (BIM) using software such as Revit.
- Generate 2D documentation from the BIM model for construction drawings, including plans, sections, and elevations.
- Stay updated on industry trends and technologies for continuous professional development.

## EDUCATIONAL PROFILE

**Advanced Diploma in Architecture & Interior Designing** | 2015-2016  
Brainnet School of Interior & Architecture , Calicut - India

**Vocational Higher Secondary Education** | 2010-2011  
GRFTVHSS Tanur, Kerala - India

**Secondary School Leaving Certificate** | 2010-2011  
MVHSS Ariyallur , Kerala - India

## DECLARATION

I solemnly declare that the information furnished in this CV is accurate and complete. I understand the significance of authenticity in the recruitment process and commit to maintaining transparency. Thank you for Considering my application.
