## About Me

Transportation enthusiast effective in delivering packages on time and in great condition. Reliable with outstanding interpersonal and time management skills. Seeking a new Driver Role where hard work and dedication will be highly valued. Dependable driver with a 2-year background in passenger services. Expert in road safety and diligent about following rules. History beyond requirements to exceed expectations. Experienced driver, careful with deliveries, and good at planning optimum routes. Reliable at meeting schedules with zero to minimum delays, no accidents, and well-maintained vehicles. Attentive to details of individual delivery requirements and changing traffic conditions

## Objective

Seeking a suitable opportunity in the organization which can help me deliver my best skills so as to meet and exceed the demands and expectations of the organization.
