## REGISTERED ELECTRICAL ENGINEER

### CAREER OBJECTIVE

To build career in a growing organization where I can apply my skills, knowledge and loyalty in exchange for career guidance, training and opportunity for advancement by being part of your prestigious company

### WORK EXPERIENCE

#### DEPARTMENT OF TRANSPORTATION

Engineer II – April 15, 2024, to August 8, 2024

#### Duties and Responsibilities

Act as Area Engineer for Contract Package S-01 Area  
Assist in coordination with PMO's consultant, contractors, local government units, and other internal and external stakeholders on Contract Package S-01 Area 1  
Facilitate the timely delivery of Contract Package S-01 Area 1 by monitoring utility relocation, contract management, overseeing the compliance to technical specifications, quality, health and safety protocol of the project  
Provide comment/inputs in the submissions of the consultant and contractor (such as but not limited to engineering plans and designs, methodologies, programme, variations and other relevant outputs/reports)  
Develop and maintain monitoring matrix/database to meet information and reporting need to the Team Lead/Contract Package Manager  
Facilitate and/or attend meetings discussion, visits, seminars or attend similar matters, whether in or outside Metro Manila or the Philippines, as required by this Department or as may be necessary in the discharge of duties under this Contract  
Assist in preparation of periodic and documentation (e.g., reports, databases, memoranda) on Contract Packages S-01 related matters  
Perform other related functions as deemed necessary and/or assigned by the Project Manager or the Undersecretary and  
All other relevant tasks may be assigned from time to time.

#### MAKATI DEVELOPMENT CORPORATION (MDC)
