ABOUT ME

I am a computer technician. In this field, I worked for around 12 years. I don't have any school or college certificate in computer services. But I have real experience. I have a computer shop in my town, it's running for about 10 years. Before this, I learned all the computer work by hand from another shop for 2 years. Now I need A Better Job Or Facilities.

Note: I am a resident of Bangladesh. But I am willing to go to any country.
