PERSONAL PROFILE

I am a motivated, adaptable and responsible person with a strong understanding of plumbing, close circuit television(cctv) and Electrical knowledge. With more than three years of experience, and posed as a confident person who can work in a challenging environment under pressure, I have the ability to negotiate, promote teamwork and a strong drive to see things through to completion. I am ready to work in any position where I will get to utilize my professional and technical skills developed through previous experiences and others to come for the benefit of the organization.
