Legazpi City, Philippines / Doha, Qatar

CAREER OBJECTIVE

Seeking a challenging role as an Electrical Technician where I can leverage my technical expertise, problem-solving skills, and hands-on experience to contribute effectively to the maintenance, repair, and installation of electrical systems. Committed to ensuring the highest standards of safety, efficiency, and reliability, I aim to play a key role in optimizing operations and supporting the growth and success of the organization.

WORK EXPERIENCE

MEP (MECHANICAL, ELECTRICAL, PLUMBER)

ELEGANCIA FACILITIES MANAGEMENT | **Project: North Bank VIP Villa**

January 2024- Present | Legtafiya Doha, Qatar

Key Responsibilities

- Conduct routine inspections of mechanical, electrical, and plumbing systems to identify issues, troubleshoot problems, and ensure optimal performance.
- Perform preventive maintenance tasks on HVAC systems, pumps, electrical panels, lighting fixtures, plumbing fixtures, and other MEP equipment.
- Diagnose electrical, mechanical, and plumbing problems using testing equipment, technical manuals, and troubleshooting techniques.
- Repair or replace defective components and parts in MEP systems, including valves, motors, switches, wiring, pipes, and fittings.

ELECTRICIAL TECHNICIAN

ELEGANCIA FACILITIES MANAGEMENT | **Project: Grandzone by Mall of Qatar** | June 2022 – December 2023

Qatar Airways Accommodation

Key Responsibilities

- Installing wiring, outlets, and controls
- Maintenance of electrical systems
- Inspecting transformers and circuit breakers to ensure they are up to code
- Identifying electrical problems using specialized tools like voltmeters, cable testers, thermal scanners, and ammeters
- Repairing and replacing wiring and equipment using hand and power tools such as screwdrivers, saws, drills, wire strippers, and conduct breakers
- Directing and training fellow workers to install, maintain, and repair wiring and systems

SENIOR ELECTRICAL TECHNICIAN
