### Objective

To work in an environment which encourages me to succeed and grow professionally where I can utilize my skills and knowledge appropriately.

### Experience

- **Emirates group (dnata)** 2017 - 2020  
Equipment Operator  
Basically I joined this group in 2014 as a Driver , soon after one year I got promoted internally to Equipment operator position to operate other Airport and AIRSIDE equipments while doing loading and offloading the cargo from aircraft. I got liscences and TRAININGS for all the equipments that was mandatory according to my Job function.
- **Emirates group (dnata)** 2014 - 2017  
Driver  
That is the beginning stage of my career with Emirates group, Although I had quite experience in Documents handling from my past employer but I learned alot while those days . I used to drive vehicle and to deliver and handle the documents accordingly to the task. The basic job function was to arrange and sent the aircraft documents through electronic process to the management and give feedback about the process.
- **APT private Company** 2011 - 2013  
PRO cum Driver  
Generally it was Private construction Company with a huge Man power. This company was dealing the construction Sites. I joined it in 2011 as an office assistant. But having good skills and talent to handle the documents and immigration process, I started my career as a PRO. Due to high ability and hard work soon after the joining I handled all the process smoothly and give some feedback to the company management for some more creativity. In short I did best during my career.
