WORK EXPERIENCE

DRIVER & FORKLIFT OPERATOR | 2018 - Present
Burunel Oil and Gas, Qatar

- Operate forklifts and other heavy machinery to transport materials and equipment within the facility safely and efficiently.
- Conduct routine maintenance checks on forklifts and vehicles to ensure optimal performance and compliance with safety standards.
- Coordinate with warehouse staff to load and unload goods, ensuring timely delivery and accurate inventory management.
- Adhere to all safety regulations and protocols while operating machinery, minimizing risks and hazards on-site.

DRIVER & FORKLIFT OPERATOR | 2012 - 2017
Abdullah Abdulghani & Bros. Co. W.L.L. | Qatar (Toyota & Lexus Parts Department)

- Managed the transportation of automotive parts and supplies between departments, ensuring timely delivery and efficient workflow.
- Operated forklifts for loading and unloading parts from delivery trucks, maintaining an organized and safe working environment.
- Assisted in inventory management by keeping accurate records of parts received and dispatched, contributing to efficient stock control.
- Collaborated with team members to streamline operations and improve logistics processes within the parts department.

SALES ASSISTANT | 2009 - 2010
Al Marai, Qatar

- Provided excellent customer service by assisting customers in selecting products and answering inquiries about items and services.
- Maintained product displays and ensured shelves were stocked, organized, and visually appealing to maximize sales opportunities.
- Processed customer transactions efficiently using point-of-sale systems, handling cash and credit transactions accurately.
- Assisted in inventory management by conducting regular stock checks and reporting discrepancies to management.
