

PROFILE

I am a friendly and outgoing car driver who is proficient in safe operations, passenger transportation and inclement weather driving. Good communicator and problem-solving with a solid track record in the field. I can work independently and accomplish the assigned job with focus and good judgment on how to do it.

As a foreman, I am a good leader and a hardworking person that values the output of assigned tasks. I am a team player with the ability to drive a team to work hard and accomplish a specific job as expected, on time and within budget.
