WORK EXPERIENCE

2021-2024

Electromechanical technician

- (Innovation Packaging Company | Elhachimia, Bouira, Algeria.)
- Maintained and repaired industrial automatic napkin production machines (Septembar) and packaging machines (Atomic).
- Worked alongside Serbian engineers during the installation and commissioning of new equipment, gaining extensive mechanical and electrical troubleshooting skills.
- Diagnosed and resolved complex issues, minimizing production downtime and improving efficiency by 20%.
- Conducted routine maintenance schedules to ensure equipment reliability and adherence to production deadlines.
- Trained junior technicians in machine operations and troubleshooting techniques.
- Achieved a 95% uptime rate for production machinery over three consecutive years.

2019-2021

Automotive mechanic

- (Self-employed | Algeria)
- Provided comprehensive repair and maintenance services for various car makes and models.
- Utilized advanced diagnostic tools to identify and fix electrical and mechanical issues.
- Specialized in engine overhauls, electrical wiring repairs, and computer diagnostics.
- Built a loyal customer base through exceptional service quality and adherence to deadlines.
