Experience

Al-zubair construction company
Lahore ,Pakistan
2021-2024

I done many residential, commercial project with a team of qualified designers, architects and administrative staff. The company has successfully completed projects for corporate clients, residential buildings, hotels, showrooms, and government agencies. I get many experiences and learn more software and rendering skills.

Bano'de construction company
Lahore, Pakistan
2022-2022

I have done internship in these days, I done many site visits and taking necessary measurements and then convert these into 2d and 3d in Autocad, sketchup and then finally render it in V-ray.
