OBJECTIVE

Experienced 3D Visualizer and Draftsman with over two years in architectural and interior design. Proficient in creating technical drawings, 3D visualizations, and construction documents. Seeking a challenging role to leverage my skills in space planning, conceptual design, and project management. Committed to delivering high-quality visual representations and technical drawings that align with client visions and project goals.

WORK EXPERIENCE

Rivano Design Qatar

May 2024 - Present

3D Visualizer & Draftsman

Design and provide detailed shop drawings that highlight specifications, dimensional accuracy, and annotations.

Develop detailed 3D models using software such as SketchUp and 3ds Max, ensuring accurate representation of design elements.

Conduct site surveys and measurements to inform design decisions and ensure accuracy in documentation.

Work closely with clients to understand their needs and incorporate feedback into design visualizations.

Collaborate with design teams to create and refine visual concepts for interior spaces and furniture.

The Builders Engineering Pvt Ltd.

March 2022 - April 2024

Architectural designer

Utilized SketchUp, Revit, and AutoCAD to create accurate 2D and 3D models, renderings, and construction drawings.

Attended project meetings with clients to provide design input and feedback.

Conducted site visits and assisted in gathering relevant data for site analysis and design development.

Conducted research on emerging design trends and materials, incorporating sustainable practices into project designs.

EDUCATION

Completed Certificate in 3ds Max at The acaddemy. (2023)

Completed Certificate in Revit MEP at The acaddemy. (2023)

Diploma in Computerized Construction Designs and Technology (CAD & BS) (Pearson Assured – UK)
