ABOUT ME

Experienced and safety-focused Bus and Truck Driver with over 24 years in both passenger transport and logistics, skilled at navigating diverse routes and delivering exceptional customer service. Known for a clean driving record, thorough vehicle maintenance, and adaptability to changing schedules, ensuring timely, secure transit for passengers and goods alike. Adept in compliance with safety regulations and efficient documentation, with strong dedication to creating a positive experience for passengers and clients. Ready to bring reliability, professionalism, and proven expertise to a team-driven environment.

WORK EXPERIENCE

P.S.V Bus Driver

Mowasalat Karwa [01/10/2021 – Current]

City: Doha | Country: Qatar

- Ensure the safe pick-up, transport, and drop-off of passengers at designated locations, strictly adhering to traffic laws and safety regulations.
- Plan efficient routes to minimize travel time and fuel consumption, using GPS and local knowledge to adjust for traffic, road conditions, or closures as necessary.
- Conduct pre-trip and post-trip inspections to verify the vehicle's operational safety, checking brakes, lights, tires, and fluid levels, and reporting any mechanical issues promptly.
- Maintain compliance with all PSV-specific rules, including licensing and passenger limits, ensuring all passengers are seated and seat belts are used where applicable.
- Assist passengers as needed, including those with special needs, elderly, and children, ensuring a welcoming and safe experience.
- Handle fare collection accurately, provide receipts when necessary, and maintain a record of daily transactions, securing cash until it is deposited or handed over to the appropriate department.
- Manage passenger behavior on board, addressing any issues calmly and respectfully to maintain a peaceful environment, and escalating to supervisors when necessary.
- Keep in regular contact with dispatch or control centers to receive updates on route changes, schedules, or emergencies, maintaining seamless service.
- Refuel the vehicle as required and keep it clean and presentable, taking pride in the vehicle's appearance and completing light maintenance when needed.
- Be prepared to respond to emergencies, including breakdowns or passenger medical issues, following protocols to ensure passenger safety and comfort while coordinating with emergency services if necessary.

Deliver Truck Driver

Kenya Cereals Produce Board [20/01/2017 – 30/08/2021]

City: Nairobi | Country: Kenya

- Ensure the accurate and timely delivery of cereals and produce from KCPB warehouses to designated locations, supporting supply chain efficiency and meeting delivery schedules.
- Safely load and unload produce, ensuring it is properly secured to prevent damage, with careful handling to maintain the quality of perishable items.
- Follow all road and safety regulations to protect the cargo, vehicle, and public safety, maintaining high standards of professional conduct on the road.
- Conduct thorough pre-trip and post-trip vehicle checks to ensure operational readiness, including inspections of brakes, tires, and fluid levels, reporting any issues immediately.

- Accurately maintain delivery logs, mileage reports, fuel receipts, and any incident records, ensuring proper documentation for tracking and compliance.
- Plan and follow the most efficient delivery routes to save time and fuel while ensuring punctual delivery, adjusting for traffic or road conditions as needed.
- Communicate with warehouse teams to confirm delivery requirements, load specifics, and ensure clear records of items in transit.
- Check delivery quantities against dispatch records to confirm accuracy, ensuring that the correct type and amount of produce reach each destination.
- Perform minor repairs or arrange for maintenance as needed, maintaining the vehicle in a clean and presentable condition for daily operations.
- Communicate courteously with clients or recipients at each delivery point, addressing any questions and ensuring a professional representation of KCPB.

P.S.V Bus Driver

Mololine Shuttle Services [02/03/2005 – 31/12/2016]

City: Nairobi | Country: Kenya

- Drove passengers on assigned routes, ensuring their safety and comfort while adhering to all traffic laws and company policies.
- Followed established schedules to ensure punctual pick-up and drop-off, minimizing delays and disruptions.
- Conducted thorough inspections before and after each shift to ensure the bus is in optimal condition, promptly reporting any issues for maintenance.
- Welcomed passengers courteously, answer their questions, and assist with boarding or disembarking, creating a welcoming travel experience.
- Managed fare collection with accuracy, issuing receipts as needed and balancing daily accounts to maintain financial accountability.
- Maintained awareness of traffic conditions and potential hazards, adapting driving techniques to prioritize safety at all times.
- Maintained regular contact with the dispatch team, providing updates on route status, delays, or incidents as necessary.
- Stayed prepared for emergencies by adhering to safety protocols and assisting passengers as needed during unforeseen situations.
- Represented the company by wearing the official uniform and maintaining a courteous and professional demeanor at all times.
- Documented trip details accurately, including mileage, fuel consumption, and any incidents, ensuring thorough and up-to-date reporting.

Delivery Truck Driver

Farmers Choice Ltd [05/02/2001 – 30/01/2004]

City: Nairobi | Country: Kenya

- Ensure the on-time delivery of meat and food products from Farmers Choice Ltd to retailers, distributors, and customers, meeting strict delivery schedules.
- Carefully handle and transport perishable goods in compliance with health and safety regulations, maintaining the quality and freshness of products during transit.
- Monitor and control refrigerated units to ensure products are kept at optimal temperatures, reducing the risk of spoilage.
- Conduct comprehensive inspections before and after each trip to ensure vehicle readiness, checking for mechanical issues, fluid levels, and refrigeration system functionality.
- Maintain accurate records, including delivery logs, invoices, temperature logs, fuel receipts, and mileage reports, ensuring compliance with company policies and regulatory standards.
- Plan and follow optimal delivery routes to ensure timely arrivals while minimizing fuel consumption, adapting to traffic and road conditions as necessary.
- Provide friendly and professional service to clients upon delivery, addressing any questions or concerns and representing Farmers Choice Ltd positively.
- Verify orders by cross-checking items with delivery documents before departure and upon delivery, ensuring clients receive the correct products and quantities.

- Follow all food safety guidelines, hygiene practices, and transportation regulations specific to the handling of perishable food products.
- Perform minor repairs, cleaning, and refueling, ensuring that the truck and refrigeration equipment are well-maintained and reliable for daily operations.
