-

Resourceful architect with a Bachelor's degree. Accomplished in producing detailed engineering and architectural drawings using industry leading softwares. I thrive in dynamic environments that call for exceptional adaptability, flexibility, and effective collaboration and teamwork. With a strong foundation in design principles, building codes, and construction methods, I am eager to leverage my skills and knowledge to contribute to the success of your organization.

WORK EXPERIENCE

ARCHITECT

Diamanté Trading & Contracting

Doha, QATAR

March 2024 – November 2024

(8 months)

- Produced detailed technical drawings and construction documents using AutoCAD and Revit, demonstrating proficiency in computer-aided design software.
 - Supported the design team by creating high-quality 3D models and renders using SketchUp, Lumion and V-Ray.
 - Conducted site inspections to verify compliance with architectural plans and troubleshoot on-ground issues with construction teams.
 - Participated in site meetings with contractors to ensure clear communication and resolution of design queries.
-

ARCHITECT (Internship)

Nokta Group Mimarlik

Ankara, TURKEY

February 2023 – March 2023

(1 month)

- Gained a comprehensive understanding of the day-to-day operations and workflow within a professional architectural firm.
 - Participated in client meetings, learning how to effectively communicate design concepts and address client feedback.
 - Collaborated with the design team, including architects and engineers, to coordinate the development of project plans and drawings.
 - Attended meetings with co-companies, such as contractors and consultants, to understand the coordination required across disciplines in the architectural process.
-

SITE ENGINEER (Internship)

Maxad Group Insaat Sanayi

Istanbul, TURKEY

June 2023 – July 2023

(1 month)

- Worked on active construction sites to gain hands-on, practical experience in the field.
 - Learned about the application of various safety regulations and protocols to ensure job site safety.
 - Developed a thorough understanding of construction drawings, including reading and interpreting them to track progress and identify potential issues.
 - Collaborated with the construction team to understand the different stages of the building process and how the drawings translate to the physical work.
-

GRAPHIC DESIGNER

Eghdan Co.

Doha, QATAR

October 2020 – March 2021

(6 months)

- Delivered excellent administrative services to support the company and its clients.
- Worked in a growing company, which helped enhance my understanding of marketing steps and strategies.
- Attended meetings with various co-companies to help achieve the organization's goal.
- Experienced effective collaboration and teamwork with professionals across different fields.

EDUCATION

SECONDARY SCHOOL DEGREE

Al-Furqan Private School

Doha, QATAR

2015/2016

BACHELOR'S DEGREE (Engineering and Architecture)

Altinbas University

Istanbul, TURKEY

2023/2024
