

NIHAL SHAIKH

ARCHITECTURAL DESIGNER PROJECT COORDINATOR

Profile

I am a person with positive attitude, self-confidence, quick learner, who also works whole heartedly in each and every activity taken up and thereby would also like to achieve excellence in it. I would consider myself to be a work oriented person having assests of intellectual knowledge, sociability and a favor to do work in any atmosphere. During the last 7 years with every employer, I have been successfully taking projects from concept to completion. I possess excellent drawing and presentation skills, and i am conversant with all key fields of Interior Designing.

As a good team player who is open to working in a fast paced environment with demanding deadlines, I can quickly create superb individual conceptual designs, On top of this I possess excellent communication skills and will be very comfortable liaising directly with clients.
