- 3Ds Max
- Vray
- Photoshop
- Coreldraw
- MS Office
- MS Excel

## LANGUAGE

- English
- Hindi
- Malayalam
- Tamil

## PROFILE

To leverage my expertise in 3D modeling, rendering, and visualization to create immersive, photorealistic designs that bring concepts to life. With a strong command of industry-leading software and a passion for precision and creativity, I aim to contribute to innovative projects, collaborate with talented teams, and deliver visually compelling solutions that exceed client expectations.

## WORK EXPERIENCE

### Signmax trading interiors and events

2023-2024

3D Designer and draftsman

- Experienced 3D visualizer and draftsman with a strong background in events and interior design projects, combining technical expertise with creative vision. Proficient in industry-standard software such as AutoCAD, 3ds Max, and rendering tools like V-Ray to produce photorealistic renders, detailed layouts, and accurate technical drawings. Skilled in managing site responsibilities, including supervising execution, ensuring design adherence, and coordinating with clients, contractors, and teams to meet project requirements. Adept at creating innovative designs and practical solutions for events and interiors while delivering projects within deadlines and budget

### Shan interior decoration

2022-2023

3D Visualiser and draftsman

- Versatile and highly skilled professional with extensive experience in 3D visualization and drafting for architectural, interior, and design projects. Proficient in industry-standard software, including AutoCAD, 3ds Max, and rendering tools like V-Ray, to produce photorealistic renders and detailed technical drawings. Adept at creating conceptual 3D models, elevations, and layouts that align with client requirements and design objectives. Demonstrates exceptional attention to detail, strong space-planning capabilities, and the ability to translate complex ideas into precise visual representations. Collaborates effectively with designers, architects, and clients to deliver high-quality outputs within deadlines

## OTHERS

- Marital Status – Single
- Valid Qatar ID – Transferable

## Hyys inframart

2020-2022

Draftsman

- Skilled and detail-oriented interior draftsman with extensive experience in preparing technical drawings and detailed plans for interior design projects. Proficient in CAD software (such as AutoCAD) to create accurate layouts, elevations, that align with design concepts and client requirements. Experienced in space planning, furniture detailing, and material specifications to ensure functional and aesthetically pleasing interiors. Collaborates effectively with interior designers, architects, and contractors to ensure precision and compliance with project timelines and standards. Committed to delivering high-quality work that supports seamless project execution.
