PROFILE

Passionate and creative interior designer with 4 years of experience in transforming spaces to enhance both aesthetics and functionality. Adept at collaborating with clients to understand their vision. My approach combines innovative design concepts with practical solutions, ensuring each project reflects the client's unique style while maximizing space. Proficient in autocad and 3dsmax, photoshop, I thrive in fast-paced environments and am committed to delivering exceptional results on time and within budget.

WORK EXPERIENCE

ECE COMPANY (Tunisia)

2019- 2021

Electrical Draftsman

Technical Drawings and Drafting:

Create detailed technical drawings and blueprints based on specifications and calculations.

Produce accurate 2D and 3D drawings using AutoCAD, 3DSMAX, or other drafting software.

Design Revisions and Modifications:

Make adjustments and revisions to designs based on feedback from supervisors and clients.

Ensure that all modifications adhere to company and industry standards.

Site and Field Visits:

Conduct site visits to gather information, take measurements, and verify existing conditions.

Translate field data into accurate and detailed drawings

MagiCube Company (Tunisia)

3D Designer

2021 - 2024

- 3D Modeling: Create detailed models using software like Blender and Maya.
- Texturing & Shading: Apply textures and shaders for realistic finishes.
- Lighting & Rendering: Set up lighting and render high-quality images and animations.
- Animation: Develop character and object animations.
- Rigging: Build rigging systems for realistic movement.
- Collaboration: Work with cross-functional teams to align designs with project goals.
- Quality Control: Review and refine assets to meet quality standards.
