

# DEEPIKA MAKIREDDY

## PROFILE

Recent Bachelor of Architecture (B.Arch) graduate with expertise in building design, structural analysis, and sustainable construction practices. Skilled in architectural drafting, CAD tools, 3D modeling, and rendering, with experience in project management and team collaboration. Passionate about creating functional and visually compelling designs while integrating sustainable, energy-efficient solutions into contemporary architecture. Eager to contribute innovative ideas to impactful projects.

## FREELANCER ARCHITECT

JULY 2024 - NOVEMBER 2024

### Hotel Renovation Project – Budhil Park, Vishakapatnam

- Developed detailed floor plans and exterior elevation using AutoCAD.
- Created realistic 3D renders and visualizations with SketchUp and D5render to enhance client presentations.
- Conducted site visits to ensure design execution aligned with project specifications.

### Clubhouse Interior Design - rajahmundary

- Designed intricate wall elevation details for a high-end clubhouse.
- Planned washroom interiors, ensuring functionality and aesthetic appeal
- Collaborated with clients to finalize designs and select materials.

### Villa Project - Hyderabad

- Worked on floor plan corrections, optimizing layout and functionality for a luxury villa.
- Provided detailed design solutions to enhance the overall project.
- Delivered comprehensive design documentation to facilitate seamless project completion.

## INTERNSHIP STUDENT

NOVEMBER 2023 - JANUARY 2024

### Villa Elevation Design

- Designed villa elevations emphasizing aesthetics and structural integrity.
- Collaborated with senior architects to meet client expectations.

## SKILLS

### TECHNICAL SKILLS

AutoCAD

SketchUp

D5 Render

Enscape

Photoshop

3D Modeling

### DESIGN SKILLS

Elevation Design

Floor Plan Detailing

Interior Design

Exterior Design

Space Planning

Landscape Planning

### SOFT SKILLS

Time Management

Attention to Detail

Collaboration

## PROJECT

### MANAGEMENT SKILLS :

Client Communication

Project Delivery

Design Presentation

### CERTIFICATIONS :

Certified Lighting Designer.

Workshop by Beyond light

Organization

Year : 2024

### LANGUAGE

ENGLISH - Fluent

HINDI - Intermediate

TELUGU - Native

### Residential Projects

- Modified floor plans and developed washroom designs for multiple residential projects, focusing on space optimization and modern finishes.

### INTERNSHIP STUDENT

AUGUST 2023 - OCTOBER 2023

#### Function Hall Extension – Fun Times

- Contributed to the planning and detailing of a function hall extension
- Collaborated on design strategies to enhance space efficiency and aesthetics.

#### Residential Project – 3BHK Design

- Developed detailed floor plans for a 3BHK residential unit using AutoCAD.
- Ensured functionality and precision to meet client requirements.

#### Jali Design

- Designed intricate jali patterns for railings and gates with a balance of functionality and artistic appeal.
- Delivered accurate designs within project timelines, aligning with client
