PROFILE

Experienced Diagnostic Technician with a strong background in automotive mechanics. Dedicated to continuously expanding my expertise in vehicle diagnostics, maintenance, and repair. Over the years, I have honed my skills in both mechanical and electrical systems, gaining hands-on experience in refrigeration and high-voltage automotive technologies. In my most recent role, I had the opportunity to take on workshop management responsibilities, overseeing operations, coordinating repairs, and ensuring efficient workflow. Passionate about problem-solving and delivering high-quality service, I thrive in dynamic and technical environments.
