## **Profile**

I am looking for a challenging and rewarding position where I can use my creativity, experience, and skills in data entry, proofreading, and research, within a reputable organization. With a background in computer science from Bharat University and hands-on experience in data management roles at Faisal Islamic Bank and Plan Sudan (UNHCR), I aim to contribute effectively to the organization's goals. I am eager to take on responsibilities that foster both personal and professional growth, while applying my persuasive communication, analysis, planning, and organizational skills. I am committed to driving success and continuous improvement in a dynamic work environment.
