LinkedIn: [linkedin.com/in/hashim-aminu-895960260](https://www.linkedin.com/in/hashim-aminu-895960260)

Location: Kano, Nigeria

PROFESSIONAL SUMMARY

Mathematics and ICT specialist with expertise in numerical analysis, optimization techniques, mathematical modeling, and cybersecurity. Strong background in project management, IT infrastructure, and problem-solving. Passionate about leveraging technology and mathematical principles for innovative solutions.

EDUCATION

M.Sc. Information and Communication Technology - Bayero University Kano (2024)

- Research Focus: Sustainable ICT Infrastructure (Energy Efficiency & Environmental Impact)

B.Sc. Mathematics - Bayero University Kano (2021) - Specialization: Numerical Analysis

CERTIFICATIONS

- Cybersecurity Certification

- Project Management & Human Resources Management Certifications - Information Technology Certification

PROFESSIONAL EXPERIENCE

1. Intern, Nigeria Jubilee Fellows Programme (2024 - present).

2. Lecturer, Jigawa State Polytechnic, Dutse (2022 - 2023)

- Taught mathematics and numerical methods at various levels. - Provided tutorials and mentorship to students.

- Assisted in academic research and curriculum development.

TECHNICAL SKILLS

- Mathematical Modeling & Numerical Analysis - Optimization Techniques

- Cybersecurity & Risk Assessment

- IT Infrastructure & Sustainable ICT

- Project & Human Resource Management

LEADERSHIP & COMMUNITY ENGAGEMENT

- PRO II & Welfare Officer, Mathematical Sciences Department (BUK)
- Student Tutor & Conflict Resolution Campaign Participant (British Council)

ADDITIONAL INFORMATION

- Fluent in English
- Open to opportunities in Mathematics, ICT, Optimization, and Cybersecurity
