Nuijia Area, Doha Qatar

SUMMARY

A goal-oriented person with over 14 years of experience in Philippines as a Merchandiser/stockman and driver. I acquired recommendable skills in terms of handling and monitoring stocks, organizing the retail stores and handling product deliveries, ability to navigate, follow maps and directions, able to work with less supervision, excellent in customer service and having the right attitude towards stressful situations.

OBJECTIVE

To be a dynamic person working with challenging environments that would enable me to enhance and utilize my experience and skills, and innate abilities towards the vision and mission of the Organization, leading to self-development and career progression.

AREAS OF EXPERTISE

Strong knowledge of handling stocks
Knowledge on MS Word/MS Excel
Knowledge on Inventory Management (FIFO and LIFO basis)
Efficiency and time management
Detail oriented and problem solver
Excellent customer service
Ability to navigate in different routes
