## Profile

### Driver cum Messenger

Reliable and safety-conscious professional with proven experience as a light vehicle driver, messenger, and cashier in fast-paced environments across Qatar. Committed to ensuring timely deliveries, efficient route planning, and excellent customer service. Seeking a challenging position as a Driver cum Messenger where I can utilize my skills in logistics coordination, inventory support, and client interaction to contribute effectively to organizational goals.

## Work Experience

2022 – 2024  
Qatar

### Executive Driver cum Messenger | UCC, Doha

- Provided professional transport services for executive staff ensuring punctuality and vehicle cleanliness.
- Maintained trip records including mileage, fuel usage, and service logs.
- Ensured the safety and comfort of passengers while following company and road safety policies.
- Coordinated with administrative teams for scheduled pickups, drop-offs, and urgent dispatches.
- Conducted routine vehicle inspections and arranged timely maintenance to ensure operational efficiency.

2022  
Qatar

### Messenger | EY, Doha (6months)

- Delivered confidential documents between departments and to external clients securely.
- Supported administrative staff with mail distribution and errands.
- Collaborated with the communications team to streamline internal message delivery processes.

2020 – 2022  
Qatar

### Light Driver | CCC, Doha

- Managed daily delivery routes with timely and secure transportation of materials and documents.
- Assisted in the loading and unloading of goods while adhering to handling protocols.
- Maintained vehicle logs and ensured timely vehicle servicing.
- Communicated with dispatch teams to optimize delivery schedules and minimize delays

2019 – 2020  
Qatar

### Cashier | Al Qatri Trading, Doha

- Handled daily cash and card transactions accurately using POS systems.
- Provided courteous service to customers, addressing concerns and queries efficiently.
- Managed stock levels and organized product displays to improve visibility and accessibility.
