MD OSMAN GONI

Present Address: Doha, Qatar

Phone: +974 72042080

Passport No: EE0678009

QID No: 29605001072

Email: osmangoni201996@gmail.com

Career Objective:

I am a skilled and flexible professional with expertise in electrical and plumbing systems. I have a proven track record of delivering excellent services in homes, businesses, and industries. I have strong technical knowledge, great problem-solving abilities, and pay close attention to detail. My main goal is to make sure customers are happy and satisfied with the high-quality work I provide. I am also a great communicator and can work well on my own or as part of a team.

Key Skills and Expertise:

- Overseeing and coordinating MEP system installation, maintenance, and repair in construction projects.
- Comprehensive understanding of codes, safety regulations, blueprints, and equipment related to MEP systems.
- Expertise in troubleshooting issues and finding effective solutions.
- Efficiently managing projects from inception to completion.

Professional Experience:

1. MEP (maintenance, Electrical, and Plumbing) Foreman

WeDIR-Tech Contracting, Trading & Services, 1st Feb 2020 to Present

Job Responsibilities:

- Overseeing MEP system installation, managing the team, ensuring safety compliance, coordinating with other teams,
- Maintaining quality control, troubleshooting issues, documenting the process, and reporting progress.
- Handle electrical and plumbing installations, diagnose issues, and conduct routine maintenance for optimal system performance.

2. Position: Electrician and Plumbing

Al Mzaniah Trading and Contracting, Doha, Qatar, May 2017 to Jan 2020

Job Responsibilities:

Electrician Responsibilities:

- Successfully installed and maintained various electrical systems, including wiring, switches, outlets, and lighting fixtures.
- Expertly troubleshooted electrical issues and executed necessary repairs or replacements.
- Ensured electrical safety by conducting thorough checks to identify and rectify potential hazards.
- Collaborated effectively with other trades and contractors during construction projects, ensuring smooth integration of electrical systems.

Plumbing Responsibilities:

- Skillfully installed, repaired, and maintained plumbing fixtures, pipes, and fittings.
- Proficiently cleared blockages in drains, pipes, and sewer systems, ensuring smooth water flow.
- Diagnosed and efficiently fixed leaks and other plumbing problems to prevent further damage.
- Utilized a variety of materials, such as PVC, copper, and steel, to carry out plumbing installations with precision.

3. Position: Electrician and Plumbing

SIX Construction, Doha, Qatar, February 2016 to April 2017

Job Responsibilities:**Electrical:**

- Install, repair, and maintain electrical systems (wiring, switches, lighting fixtures).
- Troubleshoot and resolve electrical issues efficiently.
