

SHAHUL HAMEED

Architectural Civil Draughtsman, 3D Visualizer

KEY SKILLS

- Architectural drafting
- Structural drawing
- Blueprint Reading
- Sustainable design
- 3d visualisation
- Rendering
- Client communication
- Design drawing
- Elevation Drawings

EXPERIENCE

Draughtsman | 2025 – Present

Ajith sunny architects, PRRA-88 A, First Floor Mavelil lane Ponoth Road Kaloor, Cochin- 682017 India

Architectural Draughtsman cum 3D Visualizer | 2020 - 2023

Al Asalah Engineering Designs, Oman

Sketch and Build Architecture cum 3D Visualizer

Freelance

- Develop architectural designs according to client requirements, site conditions, and regulatory standards.
- Create conceptual sketches, floor plans, elevations, and sections to communicate design intent effectively.
- Produce detailed architectural drawings and construction documents using computer-aided design (CAD) software.
- Prepare accurate technical drawings, including plans, sections, and details, adhering to industry standards and specifications.
- Utilize sketching techniques to quickly explore design ideas and communicate concepts visually.
- Incorporate hand sketches into the design process, allowing for rapid iteration and creative exploration.
- Create high-quality 3D renderings, visualizations, and virtual walkthroughs to illustrate design proposals.
- Utilize rendering software and advanced modeling techniques to produce realistic representations of architectural spaces.
- Collaborate with project teams to integrate 3D visualizations into presentations and marketing materials.
- Coordinate with architects, engineers, contractors, and consultants to ensure design integrity and project continuity.
- Participate in design meetings, reviews, and site visits to address technical issues and ensure project objectives are met.
- Communicate effectively with clients to understand their needs, preferences, and feedback throughout the design process.
- Maintain high standards of quality and accuracy in all architectural deliverables, ensuring compliance with project requirements and specifications.

To Whom It May Concern,

This is to certify that SHAHUL HAMEED has been employed with AL ASALAH ENGINEERING DESIGN as an ARCHITECTURAL DRAGHTSMAN from 11/10/2020 to 11/12/2023.

During their tenure with our organization, SHAHUL has consistently demonstrated dedication, professionalism, and outstanding performance in their role. Their contributions have been invaluable to our team and have significantly contributed to the success of our projects and initiatives.

Some of the key responsibilities and achievements during SHAHULS's tenure at ASALAH include:

- ARCHITECTURAL DRAFTING
- STRUCTURAL DRAFTING
- RESIDENTIAL AND COMMERCIAL PLAN PREPARING FOR ARCHITECTS
- 3D VISUALISING

SHAHUL has been an integral part of our team and has shown exceptional skills, a strong work ethic, and the ability to work well with colleagues and clients. They have consistently met and exceeded the expectations of their role.

We are confident that SHAHUL will be an asset to any organization they choose to work with in the future. We wish them the very best in their future endeavors.

This certificate is issued at the request of SHAHUL and is being provided as a true and accurate record of their employment with AL ASALAH ENGINEERING DESIGN.

Sincerely,

KHALID AL KHARUSI
CHAIRMAN OF THE COMPANY
