## PROFILE

I'm a versatile and dependable professional with over ten years of experience in both security and hospitality. I've worked in environments like hospitals, schools, supermarkets, and restaurants always focused on keeping people safe, supported, and satisfied. I'm certified in Basic Firefighting and First Aid, and I take pride in staying calm and responsive during emergencies. At the same time, I've also spent years working as a waiter and barista, where I developed strong customer service skills and learned how to work well under pressure. I hold both Qatari and Tunisian driving licenses and have completed military service in Tunisia. I'm always ready to adapt, learn, and give my best in any role.
