Transport Driver for Labor Movement

- Safely transported laborers and staff between work sites, accommodations, and company facilities on a daily schedule.
- Ensured timely pick-up and drop-off of workers, maintaining punctuality to support smooth site operations.
- Conducted daily vehicle checks to ensure roadworthiness and compliance with company safety standards.
- Maintained a clean and organized vehicle, ensuring a safe and comfortable ride for all passengers.
- Followed assigned routes and schedules efficiently, adjusting to traffic or road conditions when necessary.
- Communicated clearly with supervisors and laborers regarding timing and any changes in transport plans.
- Kept accurate records of trips, fuel usage, and maintenance needs.
- Adhered strictly to traffic laws and company driving policies to maintain a clean driving record.

2021-2022

Delivery Driver at Nestle pk

- Safely and efficiently delivered Nestlé products to various retail outlets, wholesalers, and distribution points across assigned routes.
- Maintained accurate delivery records, including invoices, receipts, and customer signatures.
- Conducted pre-trip and post-trip vehicle inspections to ensure roadworthiness.
- Maintained clear communication with warehouse, logistics, and sales teams to ensure smooth delivery operations and resolve any issues promptly.
- Provided excellent customer service during deliveries, addressing inquiries professionally and representing the Nestlé brand with integrity.
- Adhered strictly to road safety regulations and company protocols to maintain a clean driving record.
- Managed delivery schedules to ensure timely product distribution, even under tight timelines or adverse traffic/weather conditions.
