

# SAMSUDEEN ANIES FAZAL MOHAMMED

## Operation | Facility / Business Development

Maintenance HVAC Refrigerator Kitchen Equipment Hot and Cold Purchasing)

### INTRODUCTION:

An ambitious, focused, and successful professional dedicated to providing outstanding customer service and cost control with nineteen years of working experience **in sales, marketing, and purchasing, operations, facilities, and business development** (including manpower supply housekeeping), seeks a job with a reputable organization, both domestically and abroad.

My personal attributes and qualities, such as being detail-oriented and having the ability to process a high volume of Managing and developing excellent precision, being an enthusiastic team player, and having good interpersonal relationships with multiple stakeholders make me an ideal candidate for any organization. Furthermore, being a creative thinker, focused on bottom-line results, contributing to procurement cost-reduction initiatives, excelling in multi-tasking, and prioritizing work assignments are a few of my personal skills that have helped me excel in my previous job.
