

# UBAID UR REHMAN

Civil Engineer | Interior, Architectural & Structural Draftsman

+974 3076 5410    [ubaidurrehman432@gmail.com](mailto:ubaidurrehman432@gmail.com)  
Doha Al-Jadeda, Qatar.    QID: 29658612803  
<https://www.linkedin.com/in/ursqbaid/>

I am proficient in relevant software like AutoCAD and have experience creating precise technical drawings, floor plans, elevations, interior layouts and structural drafting. My attention to detail and ability to interpret design concepts allow me to produce high-quality drawings that align with project requirements. Demonstrated ability to collaborate with multidisciplinary teams, manage project timelines, and ensuring the successful completion of residential, commercial, and infrastructural projects.
