Professional Summary

Experienced and dependable driver with a strong background in vehicle operation and automotive electrical systems. Over 5 years of professional driving experience in the UAE and Qatar, including roles as a driver and foreman. Well-versed in Qatar's traffic laws and committed to full compliance with all safety regulations. Expert in navigating all major routes across Qatar and skilled in using GPS to efficiently locate destinations. In addition to driving, possesses hands-on expertise in auto electrical repair and general car mechanics, with work experience in Bangladesh and the UAE. Brings strong technical knowledge, reliability, and a dedication to safety, punctuality, and professional service.

Work Experience

Driver | Al Qaiyumi Auto Spare Parts – Al Ain, UAE (Dec 2011 – June 2013)

- Transported auto parts and staff across Al Ain.
