- Urban Renewal & Housing Projects
- Team Leadership & Client Relations
- Building Code Compliance
- Site Safety Awareness & Coordination

## LANGUAGE

ENGLISH

GERMAN B1

## ABOUT ME

Creative and detail-oriented graduate architect with over 8 years of hands-on experience in architectural design, construction supervision, and project documentation. Adept at using industry-standard design software (ArchiCAD, SketchUp, Photoshop) and interpreting technical drawings. Passionate about delivering sustainable, functional, and aesthetically compelling spaces. Proven ability to collaborate in multidisciplinary teams and contribute to both urban and residential development projects. Seeking an opportunity in Qatar to grow within a visionary architecture firm and contribute to high-quality, innovative building projects.

## EXPERIENCE

2021

-

2024

### Architectural Assistant / Site Supervisor

The rubi group international

- Supervised construction works on-site to ensure quality, safety, and design compliance
- Prepared reports and architectural proposals for residential and timber-based housing projects
- Coordinated with contractors, artisans, and suppliers for timely execution of works

2019

-

2021

### Intern Architect – Urban Renewal Projects

Nairobi City County Government – Urban Renewal & Project Management

- Developed architectural working drawings and layouts using ArchiCAD and SketchUp
- Participated in site visits for measurements and site analysis
- Assisted in urban renewal planning and low-cost housing layouts

2017

-

2019

### Technical Trainee – Engineering Department

Nairobi County Engineers Department

- Gained exposure to structural works, surveying, and construction workflows
- Participated in building inspections and assisted in documentation

## PROJECT HIGHLIGHTS

- Supervised and supported timber housing designs from initial layout to handover
- Assisted in layout planning for affordable housing within Nairobi's urban renewal programs
- Produced 2D/3D architectural drafts for mixed-use developments under senior architect guidance

## TECHNICAL SKILLS

- **Design Tools:** ArchiCAD, Archicad, SketchUp, AutoCAD (basic), Photoshop
- **Other Tools:** Microsoft Office Suite, Measurement & Cost Estimation

## ADDITIONAL STRENGTHS

- Strong adaptability in fast-paced environments
- Excellent communication & team collaboration
- Professional integrity and reliability under pressure
