## About Me

As an experienced AutoCAD Draftsman, I specialize in creating precise 2D and 3D drawings for architectural, engineering, and construction projects. With a strong focus on accuracy, technical documentation, and collaboration, I deliver high-quality designs that meet project specifications and deadlines

## WORK EXPERIENCE

April 2016–April 2025

Citi Housing Private Limited (Head Office , Lahore)

### Senior Draftsman & Site Supervisor

As a Senior Draftsman & Site Supervisor in the Finishing Department, I oversee the creation of detailed drawings and ensure accurate implementation on-site. My responsibilities include coordinating with construction teams, managing the finishing process, and ensuring quality standards are met while adhering to project timelines and specifications

Feb 2015 – Jan 2016

Project Build General Contracting Co. Ltd (KSA)

### AutoCAD Operator

As an AutoCAD Operator, I was responsible for organizing and preparing shop drawings on-site. My duties included coordinating with engineers and contractors, updating drawings as per project requirements, and ensuring all plans met technical specifications and were accurately implemented during construction.

April 2011– Jan 2015

Citi Housing Private Limited (Site Office , Gujranwala)

### Draftsman & Town Planner

As a Draftsman & Town Planner, I created detailed site plans, layouts, and zoning designs while ensuring compliance with local regulations. My responsibilities included collaborating with architects and engineers, updating plans, and optimizing land use to meet both aesthetic and functional requirements for the development.
