

VICTOR MUKOMA

Draughtsman | CAD Design | Site Supervision | 3D Modeling

+254 795 288 285 | vicmukoma@gmail.com | Nairobi, Kenya

SUMMARY

- I am an experienced Technician with over 10 years specializing in CAD design, site supervision, and 3D rendering.
- I am proficient in Archicad, Lumion, and TwinMotion, enhancing project efficiency and approval rates.
- I seek an opportunity to apply my technical expertise and management skills to achieve seamless project execution.

EXPERIENCE

Freelance Designer

Self-employed | 10/2022- present | Nairobi, Kenya

- Designed and managed various residential and commercial projects from concept to completion.
- Successfully completed two notable projects: **Hali Resort** in Bungoma and a residential development in Syokimau.
- Coordinated with clients, contractors, and suppliers to ensure project success.
- Provided comprehensive architectural solutions, including CAD drawings, 3D modeling, and site supervision.

Assistant Architect

Planoconsult Architects and Planners

09/2016 - 08/2022 | Nairobi, Kenya

- Spearheaded the design and execution of architectural projects, resulting in increased client satisfaction.
- Managed remote and on-site projects, ensuring adherence to quality, timelines, and budget constraints.
- Implemented CAD optimization strategies, boosting design productivity by 40%.
- Conducted regular site supervision to ensure compliance with architectural standards.

Intern Architect

Planoconsult Architects and Planners

08/2014 - 12/2015 | Nairobi, Kenya

- Assisted in architectural drafting and design development using CAD tools.
- Participated in site visits, preparing detailed progress reports.
- Developed 3D models and renderings for presentations.

EDUCATION

Diploma in Architecture

Kiambu Institute of Science and Technology

01/2013 - 01/2016 | Kiambu, Kenya

Kenya Certificate of Secondary Education

Murang'a High School | 01/2008 - 01/2011 | Murang'a, Kenya

KEY ACHIEVEMENTS

- Improved Approval Rates**
Designed 10 client-approved projects, raising approval rates by 25%.
- Remote Project Success**
Managed 5 remote projects, cutting logistical errors by 30%.
- Efficiency Gains**
Increased CAD productivity leading to faster project completions.
- Team Leadership**
Led a team of 6 interns, boosting output by 50% in 6 months.
